

FOOD Delivery Program

Do You Or Someone You Know Need Food Delivered?

Benefits in Action is delivering food boxes containing fresh foods and non-perishables to those who are homebound and live in Denver, Jefferson, Adams, or Arapahoe counties.

If you are unable to leave your house to access food, visit www.biaction.org or call **720-221-8354** to arrange a weekly delivery.

Volunteer Opportunities

DRIVERS

Drivers pick up food at designated locations, usually in Lakewood and the Denver area. The food consists of boxes weighing about 20 pounds each, delivered to the doorstep of homes on weekdays and Saturdays. Drivers must commit to at least one delivery per week which takes about 4 hours from pick-up to completing a route. Drivers are provided with directions on how to manage deliveries while following proper health and

safety guidelines. Drivers need to fill out our application, provide a copy of their drivers license and insurance coverage and complete a background check.

CALLERS

Volunteer Callers make confirmation calls to our Food Box Delivery recipients to notify them a delivery will be made and when to expect it. Callers should plan to spend up to 4 hours per week making these critical contacts. Callers must fill out our application and complete a background check.

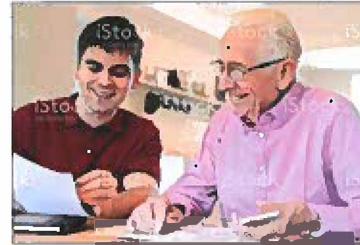

Visit www.benefitsinaction.org or call **720-221-8354** today.

BENEFITS IN ACTION

Education • Navigation • Application Assistance

Benefits in Action is a Colorado non-profit organization dedicated to improving the understanding, access and utilization of healthcare and food security resources.

Our team of navigators works with constituents to help them recognize the health- and food-related benefits they qualify for, apply for those benefits, and utilize them as effectively as possible. We are passionate about increasing healthcare benefit literacy and food security throughout our community. We serve:

- Those who are hungry and need access to food resources – whether it's SNAP navigation and application assistance, or finding open food banks and pantries
- Those who want to access health care and need help navigating services and applying for benefits
- Those who need help navigating and/or applying for Medicaid and Medicare benefits – whether you are new to the program or are experiencing issues with using your current benefits
- Those who are in their homes and need assistance paying for heat
- Those who just need someone to talk to

Benefits in Action is a project of the Colorado Nonprofit Development Center, a 501(c)(3) organization.
